PRESS

Nos Vemos "Performance is superlative." *Juventude Rebelde* "Well deserved success" *La Tribuna* "A masterclass of how to understand theatrical art in a contemporary way. Capraru has managed to insert herself colossally into the Cuban theatre scene." *Cubaescena*

Mud & Life of 3 "NNNN Fierce Fornés...superb performances...chilling, tough to shake." *NOW* "A stroke of genius. Both plays exceptionally well written, well staged, well acted." *Mooney* "Capraru has done a formidable job in bringing to life these two different plays" *Slotkin* "Theatre Asylum's evening of Fornés' brilliant work...a world of startling vital theatre...no room for tedium in Asylum's wonderful mounting of two plays....Layered direction, monumentally mind-blowing freezes...brilliant triumvirate of actors" *Bateman Reviews*

Mandelstam "Creates a stunning atmosphere...plays with shadows and puppets brilliantly." *Theatre Reader* "...brilliant director who knows how to make poetic dialogue come alive through physicality... brilliant and moving tableaux. *Bateman* "Actors are singularly good." *Mooney*

The Seventh Seal "Inventive and triumphant staging...Capraru defies the odds with this small miracle...production is as inventive as it is fresh. Taking a feather from immersive theatre (*Sleep No More*)... gives a taste how exciting and bold theatre can be." *Cult Montréal* "Intense and flawless. Capraru has created an astonishing experience...passionate and poetic...innovative and imaginative." *The Rover*

The Monument **International Freedom to Create Prize Nomination Direction**

***** We are watching an ancient, cathartic ritual...an act of resurrection and reclamation...Capraru's stark staging...acting is spare and intense...heart-rending." *Globe* "NNNN You're sure to be riveted by the last half hour of the performance and as affected as the performers clearly are." *NOW* "Capraru masterfully directs...unrelenting and disturbing, but also beautiful, powerful and brave." *The Scene* ***** Extremely worthwhile theatre experience...Will change the way you view Rwanda." *Theatremania*

Lullaby **Dora Award Nominations for Outstanding Production, Performance**

"Lullaby has all the dark humour you'd want from the best George F. Walker, and Capraru has an excellent sense of pacing." *Eye Magazine* "Capraru clearly lays out the play's emotional geography." *National Post*

Metamorphoses **Victoria Critics' Choice Nomination Direction. Award: Production**

***** Capraru is a good artistic ally for Zimmerman...she understands the playwright's vision and emphasizes the play's poetic physicality with irreverence that verges on bawdy." *Times Colonist* "Excellent and imaginative piece of theatrical magic. Capraru is an outstanding talent...not only by the performances but her fresh approach to the material ...worth catching for her work alone, sheer visual poetry." *Monday* "Capraru uses a distinctly physical approach to the staging that matches the youthful and striking cast." *CBC Radio*

Bébé "The stunning new play *Bébé*... portrays four fascinating muses, caught up in the Brecht machine....thrilling....run-don't-walk." *Citron, 96 FM* "**** Lively and poignant...the acting is strong" *Star* "**** An admirable profusion of female talent on & off stage" *Globe*

The Trials **Dora Award Nominations for Outstanding Performance + Original Composition**

***** There's nothing finer than cabaret that's the real thing...powerful cast." *Globe* "A blistering 90-minute production... Asylum assaults us with a clever, caustic event...beautifully bitter." *Vancouver Sun* "TRIALS THE SHOW OF THE YEAR...Capraru deserves credit for bringing *Trials* so ably to life with such a mix of drama, humour, and soul...gripping, highly entertaining" *Monday Magazine* "Like all good cabaret, the fun is on the surface but the undercurrents are deep, dark and disturbing." *Vancouver Courier* "**** talented cast and the director's assured grip keep us enthralled." *Eye Magazine*

My Mother's Courage **Dora Award Nominations for Outstanding Performance, Costume & Set**

"One to Watch...Jennifer Capraru's Theatre of Contrasts" *Globe Profile* "The mise-en-scène is very alert and devoid of sentimentality... an audacious vision" *Le Devoir, Montreal* "***** The direction is spare and superb, both visually and emotionally." *Globe* "Capraru uses spare means to convey complex scenes...deeply moving and illuminating art" *Montreal Gazette* "Directed beautifully, given its switch between reality and surrealism...Not to be missed" *Citron, 96 FM*

The Gut Girls **Dora Award for Outstanding Costume Design, Nomination Performance**

***** Admirably sure-footed direction...lovely directorial touches, striking...recalls the legendary Stratford *Les Belles Soeurs*...directed with a firm hand and a lot of confidence" *Globe* "***** Production serves the play well...a solid, engaging piece of work" *Star*
